AUSTRIAN ECO-LABEL

Dear Guest!

Your well-being and the protection of the environment are very important to us. That is why we have been awarded the **AUSTRIAN ECO-LABEL** (**Austrian Ecolabel**) by the Federal Ministry for Climate Action and Environment.

We use the Austrian Ecolabel as a visible sign of our commitment to environmental and climate protection. As an educational institution, we take ecological and social responsibility together with our guests.

Our Commitment

We actively implement measures to operate in a sustainable way:

- We prioritize **regional and environmentally friendly products**
- We use **energy and water responsibly**
- We continuously reduce our **CO_2 emissions**
- We use **renewable energy sources** (including hydropower and photovoltaics)
- We consistently **avoid and separate waste**
- We train and motivate our **employees**
- We support the **regional economy**
- We preserve **nature, biodiversity, and cultural heritage**
- We regularly measure the **satisfaction of our guests and staff**
- We continuously improve the **quality of our house**

Your Contribution Matters

You can easily support us:

✓ Turn off lights when not needed

✓ Use water consciously – avoid wasting it

✓ Reuse towels when possible (please place them on the floor for replacement)

✓ Separate waste correctly (bins are available on every floor)

✓ Take only what you need at the buffet – feel free to come back for more

✓ Respect local customs and traditions

Sustainable travel is rewarded: As a small thank you, guests arriving by public transport receive a **complimentary drink voucher at reception**.

By taking part, you help us conserve resources and protect our environment.

Thank you very much for your support on behalf of the entire team!
